45th Anniversary Alumnae Weekend

This year, we are excited to celebrate both the 45th anniversary of undergraduate women at Yale but also that of the New Blue. This year's Alumnae Weekend will coincide with our Anniversary Jam, which will be on April 11th, 2015. We would love to have as many alumnae as possible participate in reunion planning, and encourage anyone interested to serve on the Alumnae Committee. Want to serve or have any questions? Email Katie Kirk at katherine.kirk@yale.edu.

Contact Info and Updates

Remember to send your updated contact information (email, phone number, preferred mailing address, and any changes to your name since leaving Yale) to our alumnae coordinator, Katie Kirk, at katherine.kirk@yale.edu. In addition, if you have any exciting updates on your life, we would love to share them with other New Blue alumnae. We are planning to create a space in subsequent alumnae newsletters to share announcements and updates, both professional and personal, encompassing anything from births and weddings to book launches or lecture series!
